

Hoop Ring

eVT0336-eM-20-BLK

Description: 140/152 Hoop Ring Shipper, PS ESD

Order Code: eVT0336-eM-20-BLK

Manufacturer: ePAK

Packaging: 1/pk, 100/cs, 2400/plt

MPN: eV11-HRS-140/152-eM-20-BLK

Item Notes

Single shipper for ring mounted wafers

- Clamshell style single ring shipper
- For wafers mounted on 140/152mm rings
- Conductive material for static sensitive applications
- Use ESD Foil Bag-0425

Material Notes

ePAK eM-20 is an ultra pure, black conductive polystyrene sheet material.

Key Properties:

- Black (carbon powder filled)
- Static dissipative (10^4 - 10^{11} ohms/sq)
- Specific gravity: 1.11 g/cm³
