

Process Handle

eOP0202-8-ASSY-3

Description: 200mm Low-Profile Squeeze Handle, PFA

Order Code: eOP0202-8-ASSY-3

Manufacturer: ePAK

Packaging: 1/pk, 5/cs

MPN: 8in Handle ASSY-3

Item Notes

Squeeze Handle for 200mm Carriers

- Overall size: 275mm x 215mm x 230mm
- Squeeze style handle
- Clips on the ends of carrier
- Locking bar secures handle to carrier
- Compatible carriers: eWB0385
- NOTE: Not compatible with eWB0220, eWB0090 and eWB0182

Material Notes

PFA (perfluoroalkoxy) key properties:

- Translucent/milky white (can be colored)
- Low dielectric constant (insulating)
- Very low coefficient of friction
- UV resistant (does not age)
- Not hygroscopic (water absorption <0.03%)
- Continuous use temperature limit: 180°C
- Melting temperature: 300°C
- Specific gravity: 2.15 g/cm³
- Chemical resistance: Excellent
